1

Bugs.

Add Эпик / QM-18

The Property facilities filter does not work on the apartment search results page if we select all items from the Property facilities

Attach Add a child issue Link Issue

Priority Medium

Description

Steps to Reproduce:

1. Open <https://www.agoda.com/apartments/>
2. Enter valid data as a destination
3. Confirm the Date from and Date to
4. Click the button "Search"
5. On the search results page, checked 16 items in the "Property facilities" checkbox.

Actual Result: The Property facilities filter does not work on the apartment search results page if we select all items from the Property facilities. It is impossible to select all 16 items.
