Test management tool Testomat.io

The screenshot shows a modal window titled "Link" with a list of search filters. The filters are:

- Check the search results to filter the search results by distance to the center.
- Check the search results from the sort by the apartment star rating.
- Check the search results to filter the search results by star rating.
- Check the search results to filter the search results by guest rating.
- Check the search results to filter the search results by location rating.

Each filter has an "Unlink" button. At the bottom of the modal are buttons for "Advanced filter" and "Link All".

Below the modal, the interface shows a table of "Linked Tests" for "TestMarathon2.0". The table has columns: Id, Title, Type, Status, Priority, and Actions. The tests listed are:

Id	Title	Type	Status	Priority	Actions
f6619b6b	Check the search results from the	manual		normal	
2cf01556	Check the search results to filter	manual		normal	
5f18a932	Check the search results to filter	manual		normal	
f51bab49	Check the search results to filter	manual		normal	

Below the table, there is a "Select tests to run" modal window. It has a toggle for "Run Automated as Manual" (currently set to Manual). The list of tests to run is:

- ☒ Check the search results to filter the search results by location rating (manual)
- ☒ Check the search results to filter the search results by guest rating. (manual)
- ☒ Check the search results to filter the search results by star rating. (manual)
- ☒ Check the search results from the sort by the apartment star rating. (manual)

At the bottom of the modal are buttons for "Select all", "Advanced settings", "Create Run", and "Cancel".

The screenshot shows a task card with the following details:

- To Do** (dropdown)
- Actions** (dropdown)

Test management tool Testomat.io

The screenshot displays the Testomat.io web interface. At the top, there is a navigation bar with tabs for 'work', 'Projects', 'Filters', 'Dashboards', 'Teams', 'Apps', and a 'Create' button. A search bar is located on the right. Below the navigation bar, the main content area shows a project view for 'QA Marathon'. The breadcrumb trail is 'Projects / QA Marathon / QM-1 / QM-17'. The left sidebar contains a list of projects, with 'QM-17' selected. The main area shows a list of issues, with the first issue titled 'As a user I want to choose to sort by...' and a status of 'DONE'. The right sidebar contains a 'Pinned fields' section and a 'Details' section for the selected issue, showing the assignee as 'Unassigned' and the reporter as 'Kateryna Pogrebna'.
